

43 rd IUPAC World Chemistry Congress
46 th IUPAC General Assembly
70 th CQPR Annual Conference and Exhibition
July 30 to August 7, 2011

“Chemistry Bridging Innovation Among the Americas and the World”

The Colegio de Quimicos de Puerto Rico is hosting the 2011 IUPAC World Congress on July 30 - August 7, 2011 at the Puerto Rico Convention Center. We are working in the development of the general program and related activities associated with the event.

Seven Nobel Laureates will be joining us as Plenary Speakers

Aaron Ciechanover
Nobel Laureate 2004

Richard R. Ernst
Nobel Laureate 1991

Robert H. Grubbs
Nobel Laureate 2005

Roald Hoffmann
Nobel Laureate 1981

Mario J. Molina
Nobel Laureate 1995

Richard R. Schrock
Nobel Laureate 2005

Ada E. Yonath
Nobel Laureate 2009

**Mark your calendars now and plan to celebrate
with us at IUPAC 2011!**
